Freshman Registration Shows Increase

Prominent Calgarian Elected Chancellor

Dr. E. P. Scarlett, a former member of the University board of governors, has been elected chancellor of the University of Alberta.

Dr. Scarlett, a prominent Calgary physician was chosen by a vote of Convocation held last spring from among three distinguished Alberta citizens. Other were Dr. M. E. LaZerte of Edmonton, former dean of education at the University, and L. Y. Cairns, Edmonton barrister. He succeeds Dr. G. Fred McNally, who retired earlier this year after serving as chancellor since 1946.

Nation Wide Reputation

The new chancellors reputation in his vocation of medicine is nation wide. He intends to continue to live and continue his professional practice in Calgary.

Dr. Scarlett is a graduate of the University of Manitoba and the University of Toronto. He spent three years in post graduate work on the staff of the Henry Ford Hospital, Detroit where he was assistant professor in medicine at the State University of Iowa. He has been practicing medicine in Southern Alberta since 1930.

Clinic President

In Calgary he is president of The Calgary Associate Clinic, and Senior Consultant in Medicine at the Colonel Belcher Military Hospital.

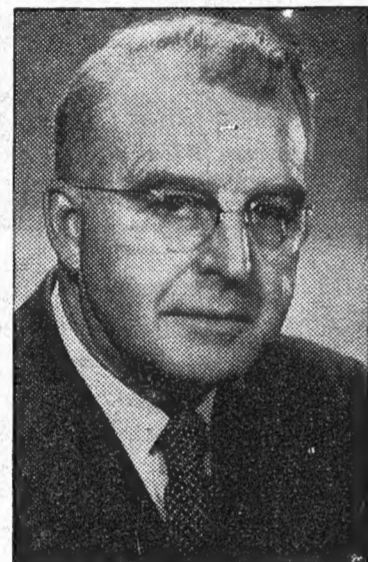

Among the professional associations of which he is a member are the Canadian Medical Association; the Royal College of Physicians of Canada; the American College of Physicians; the American Association of the History of Medicine; the provincial advisory board, Alberta division of the Canadian Arthritis and Rheumatism Society; the medical advisory board of the National Multiple Sclerosis Society and the Multiple Sclerosis Society of Canada and the American Doard of Internal Medicine.

Accomplished Musician

Dr. Scarlett is an accomplished musician and has a wide knowledge of the arts. He is a past chairman of the regional advisory board of the Canadian Broadcasting Corporation, and a member of the Calgary symphony orchestra since its founding.

He was a member of the board of governors of the University of

New Engineering Building

Newest addition to Alberta's campus is the Engineering Building, located directly west of the Med Building. The structure is nearly completed on the outside. Arriving frosh have seen Alberta's campus at its best as clear skies prevailed during the week. The photo was taken from the roof of the nearby Students' Union Building.

Enrolment Larger Than Anticipated

With an unexpectedly large increase in first-year registration, one of the best Frosh Week's in Alberta's history is in full swing. According to figures released Wednesday by the university Registrar, G. B. Taylor, 1,658 first-year students had registered by Tuesday night. This is an increase of 160 over the same period last year. This figure includes 209 who have registered at the Calgary Branch.

Registration began Monday and continued all day Tuesday. Freshettes were entertained at coffee parties in the Wauneita Lounge of the SUB by the Wauneita Society. Tuesday afternoon a Tea Dance was held in the Mixed Lounge. In the evening, the freshettes were initiated into the Tribe Wauneita while the freshmen were entertained at a smoker sponsored by the University Athletic Board. Baseball and football films were shown with Frankie Filchuck, coach of the Edmonton Eskimos football team doing the commentary. Members of the staff of the physical education department were introduced and gave short talks about varsity athletics.

Mural Unveiled

Second year registration was held Wednesday. In the afternoon there was a parade led by a bevy of majorettes from the Nurses Residence. Later in the afternoon the formal Wauneita Tea was held in the Wauneita Lounge. The mural over the Wauneita fireplace by Professor H. G. Glyde was formally unveiled by Mrs. G. Ross Gibson a former Wauneita. Professor Glyde told the story of the painting of the mural. (See picture on page four.)

In the evening an Activities night was held in both the Mixed and the Wauneita Lounge. Various campus organization presented skits on the more humorous phases of their activities and short talks on what their group has to offer to the students.

"S. S. Hospitality"

Senior students are registering today. Tonight the Macleod Club, the association of nursing students on the campus, is presenting "S. S. Hospitality" in the Nurses Residence. Admission is fifty cents for upperclassmen and free to frosh who have obtained a list of twenty upperclassmen's signatures in exchange for cigarettes which were supplied to the frosh at the beginning of the week. The dance will feature a short floor show.

Classes begin Friday morning at 8:30 for all years. At 3 o'clock Friday afternoon Frosh Court will be held in the Education Auditorium to see that all violators of the Frosh Code of Rules are suitably dealt with. Students in the faculty of law are in charge to ensure that the best principles of English jurisprudence are followed.

For The Survivors

For the survivors there will be the President's welcome at 7 p.m. in Con Hall. President Stewart and Student Union President Ed Stack will extend a short word of welcome to the Frosh. At 8:30 there will be a Pep Rally at the Varsity Grid, complete with bon-fire and cheerleaders. There will be refreshments afterwards in Varsity Rink.

The Week will officially close Saturday with the Frosh Mixer at the Drill Hall. Frosh will be admitted!

Welcome Frosh! It is a privilege and a pleasant duty for me to have this opportunity of extending to you, the Frosh of 1952, a most sincere welcome.

You are now members of our University, which although comparatively young in years, has had an enviable record in outstanding academic achievement, a record that will be your responsibility to protect you are here primarily to further your education by pursuing a higher plane of learning so that you might in future years be capable of contributing something useful and lasting to your own lives and to our democratic society, which a perilous period in our history.

I would exhort you, however, to devote some of your time to extra-curricular student activities in order that you may become better acquainted with our student government and what it has to offer you in the way of experience and training. It is always desirable to develop the whole picture, and this may be best done by a diligent application of your time, to your studies, and by diverting some of your spare time too one or two of the numerous student activities which will be presented to you.

I am sure that if you take an active interest in all facts of Uni-

versity life, you will enjoy a very profitable and memorable experience.

So once again, I extend to you all my sincerest best wishes for your future success and happiness, both while in attendance at our University and in the years to come.

Fraternity Night

Monday night at 7:30 p.m. in the Mixed Lounge the Interfraternity Council will present a Freshmen Fraternity Panel to acquaint the Freshmen with the role of the men's fraternities in campus life. Speakers from the various fraternities will be present. A question period will follow.

At 8 p.m. the same evening Pan-Hellenic Society, the women's fraternities association will hold a coffee party in the Wauneita Lounge. Members of the four women's fraternities on the campus will present a panel discussion on some aspects of fraternity life.

At 8 p.m. the same evening the Varsity Christian Fellowship will hold a scavenger hunt. This event was not held Monday of Frosh Week as reported in an overtown newspaper, but will definitely be held Monday, September 29.

Also on Monday evening The Gateway will hold their organization meeting at 7:30 p.m. Students wishing to work for The Gateway who are also planning to attend one of the other meetings are asked to call at The Gateway Office any time after 7 in order to learn a bit about the work of The Gateway.

Women's Athletics

Tuesday evening Women's Athletic Night will be held in Athabasca Gym. All phases of women's athletics will be presented to the freshettes. The Photography Directorate will also organize for the season at 7:30 in SUB.

Perfect weather conditions prevailed for the early part of the week to give an added boost to the festivities.

Only Hitch

Only hitch in the week's proceedings was an underestimation of the first-year registration. The Golden Key, honorary campus organization who were in charge of the week, had ordered caps and buttons for the number of students anticipated by the university authorities. "It was unfortunate that some of the frosh were deprived of their regalia," Doug Sherbaniuk, president of Gold Key, told The Gateway, "but it was a happening that could not be avoided. All frosh will be admitted to the dances Thursday and Saturday, however on presentation of (Continued on Page 4)

Gateway To Publish Weekly On Thursday

Thursday has been chosen as the new publication day for The Gateway. Decision to switch from Friday to Thursday was made at a meeting of the In-Town Students' Council on April 29. It had previously been decided to continue on a one issue per week basis as recommended in the report of last year's Students' Union President, Peter Loughheed.

Twenty-three regular issues will be published for the year, twelve before Christmas and eleven after. Last issue of the fall term will appear on December 11.

With the change in publication day, a new Copy Deadline has been established. Copy must be in The Gateway office by 9 p.m. Tuesdays at the latest. Publicity reps for campus organizations are requested to have their copy in earlier if possible. Last minute changes can be inserted later.

Organizations requesting pictures to accompany stories should see The Gateway Photography Editor, Allan Godfrey, at least two days prior to the day on which the picture is to be taken.

APPLICATIONS WANTED NFCUS REP

The position of NFCUS Representative on Council is now vacant. The Students' Council will consider applications for this position at their first regular meeting to be held Tuesday, October 7.

Anyone interested is requested to reply in writing. Address your letter to the Secretary, Students' Union, University of Alberta.

PHOTOGRAPHERS

Organization meeting of the Photo Directorate will be held Tuesday, September 30 at 7:30 in Photo Studios, SUB.

Gateway Meeting For New Staff Monday Evening

Organization meeting of The Gateway staff for the coming term will be held Monday, September 29, at 7:30 p.m., in The Gateway office, 2nd floor, SUB. Purpose of the meeting is to acquaint students interested in all phases of journalism with the workings of their campus newspaper.

"We want to stress that previous experience on high school papers or yearbooks is not necessary to work on The Gateway," stated Editor-in-Chief Doug Fitch in an interview Wednesday afternoon.

"It helps, of course, but interest and a little enthusiasm are far more important. We have openings for those interested in reporting, feature writing, page making-up, the morgue, typing, cartooning and the business staff."

New students will have an opportunity to meet the editorial staff and to ask any questions concerning the paper. Anyone interested in The Gateway who is unable to attend is asked to send along their name, phone number and particular interest with someone else who will be attending.

The meeting is expected to last less than an hour. Refreshments will be served afterwards in the Snack Bar.

CLUB TREASURERS

There will be a meeting of all treasurer of organization authorized to receive money from the Students' Union on Wednesday October 1 at 4:00 p.m. in the Council Chambers. This meeting is to discuss their forthcoming budgets.

GRAHAM LEBOURVEAU
Student Union Treasurer.

Three Canadians Presented With U of A Fine Arts Awards

Selected by a special national committee for their important contributions to present-day Canadian culture in their respective fields of art, music and literature, Frederick Haines, teacher artist, Dr. Edwin J. Pratt, noted Canadian poet, and Sir Ernest McMillan, conductor of the Toronto Symphony Orchestra, were honored at Banff last August as the winners of the U. of A.'s National Fine Arts awards.

Only one of the three, Dr. Pratt, was able to attend the ceremony.

University President, Andrew Stewart, introduced by Director Donald Cameron of the Banff School of Fine Arts, spoke briefly before reading the citations for the two absent award-winners after which Dr. E. P. Scarlett, newly elected chancellor of the University, read the citation to Dr. Pratt for his contribution to the field of Canadian letters.

After accepting his award, Dr. Pratt spoke entertainingly to his audience, recounting some of his past experiences in Banff, as well as giving a humorous talk on Newfoundland idioms.

Dr. Pratt is perhaps Canada's best known contemporary poet. His works describe the simple, austere, and yet eventful lives of the people living on the rugged shores of his native Newfoundland.

Sir Ernest McMillan, who was knighted by King George V for his outstanding achievements in Canadian music, is today our most prominent musician. For his versatility and polished competence in all aspects of music, for his distinguished career as conductor, teacher, composer, musician, and radio performer, Sir Ernest was chosen winner of the national award in music.

Third winner, Frederick Haines, is a native Canadian, prominent as an artist and teacher, who is noted for publicizing Canadian art and pointing out its importance to the layman. A fellow of the Royal

Canadian Academy, Mr. Haines has an enviable record. He is a director of the Ontario Society of Artists, was for four year curator of the art department of the Toronto Museum, and was art director of the Canadian National Exhibition. He was awarded the citation for the art and its related fields for the active and constructive part he has played by way of teaching, promoting, painting, and administration.

This is the second year that Alberta has presented the awards.

Nurses Present "S.S. Hospitality"

Something new has been added to Frosh Week this year in the form of the dance in the Auditorium of the Nurses' Residence, Thursday, September 25 at 8:30 P.M. This dance, which is sponsored by the Macleod Club, is based on a navy theme and promises to be a "rollicking" success.

During intermission there will be a short floor show which is still top secret. However, it shouldn't make any good sailor "see sick."

One of the greatest attractions is a group of shapely cigarette girls who will be serving refreshments. The dance is strictly informal so we hope you'll "aweigh" yourself to the Nurses' Residence to make the Macleod Club's dance a wonderful success.

SU ORGANIZATIONS ORDER FORMS

As per Students' Union Constitution:

"Each and every expenditure by concerned organizations must be made by an official purchase order obtained at the Students' Union office and signed by the Treasurer of the organization and the Permanent Secretary. Accountant of the Students' Union or someone delegated by him. Treasurer or business manager of organizations, ONLY, shall have the authority to secure purchase orders from the Students' Union office. It will be the duty of the Treasurer of the organization to submit a truly accurate estimate of cost."

It is ABSOLUTELY ESSENTIAL that order forms be obtained before any purchases are made by Students' Union clubs.

Official Greetings

From University and Students' Union Presidents

I extend a warm welcome to all students, and especially to those who are here for the first time. The new students will find things strange for a while, but I am sure they will quickly be made to feel at home. I hope they will soon share our affection for the University of Alberta.

The coming year will prove a happy and profitable one for us all, provided we bear always in mind the primary purpose of the University, and resolve to make the fullest use of its facilities and opportunities in preparation for an active and useful life.

ANDREW STEWART.

versity life, you will enjoy a very profitable and memorable experience.

So once again, I extend to you all my sincerest best wishes for your future success and happiness, both while in attendance at our University and in the years to come.

EDITOR-IN-CHIEF: Doug Fitch

New Publication Date

Last January The Gateway started off the new year with two brand new items: The Editor and The Final Copy Deadline, 2 p.m. Wednesdays. This September we have two more brand new items. One of them is a different Final Copy Deadline, 9 p.m. Wednesdays but fortunately or unfortunately the other is NOT a new Editor. It is a new Publication Date.

This year The Gateway will appear on the stand on Thursday instead of Friday. Reason for the change is twofold. Many students are finished classes for the week by Friday noon and consequently did not get a chance to see the paper until Monday. A newspaper two hundred years old is more interesting than one two days old and consequently there were many complaints. We hope these will be eliminated.

The second reason for the change was that "Friday is too close to this Saturday and too far from last Saturday." Advance publicity came too late and last week's news was stale. Wednesday seemed the best publication day. However, advertisers prefer the Friday publication date. We compromised on Thursday. Let's hope everyone is satisfied.

Reasons for publishing The Gateway weekly instead of semi-weekly were also twofold. Staffwise The Gateway is in satisfactory condition, but there is not enough "bench-strength" to permit two issues per week. Financially, the lush post-war years of high attendance are over but the high cost aren't. Like all Student Union activities, we must economize. Cutting issues is the only possible way.

The Alarm, our daily gagsheet, is still not being published, so The Gateway must perform its function also. With your co-operation we can do it.—D.F.F.

Club Expenses

Elsewhere in this issue is an announcement from the Students' Union Office concerning club finances. It states in the plainest of English that All club expenditures must be made with an official order form obtained from Walter Dinwoodie, Permanent Secretary-Accountant of the Students' Union. This year they mean it.

In the past officials of some campus organizations who obtain funds from the Students' Union have made unauthorized expenditures and later gone to the Union Office to try to square things. This practice puts the Students' Union in a very difficult position, for the accounts must be paid, but the students have a right to expect the best possible use being made of Student Union funds.

In some cases clubs have exceeded their budget as laid down in the general budget submitted for approval of Students Council and the whole student body each fall. Union finances are never too solid; the decreased registration of the last few years makes the position even more precarious. A few dollars in excess of club budgets by several organizations could bring a drastic curtailment in future Student Union activities.

Until such time as the budget is prepaid it is even more important that club treasurers consult with Mr. Dinwoodie or Graham LeBourveau, the Student Union Treasurer, about club projects.

There will be enough money for borafide club expenses, but the frill will have to go.—D.F.F.

Better Late Than Never

Two important events occurred on the campus last year after the publication of the last Gateway. The appearance of Stet, the campus library magazine, and the Evergreen and Gold, the yearbook, are worthy of record even at this late date.

Stet, which was cut to one edition for the year in the budget trimming last October was greeted, as usual, with quite varied reactions. We could argue from now till doomsday on whether it was worthy product of University creative talents. Personally, we thought that it was not on a par with similar publications from some universities, but compared with other STETS of the last few years it was excellent. Editor Bill Wood deserves great credit for raising the standard of a publication that has not enjoyed a high measure of campus popularity.

The feat of Director Merv Leitch in getting the E. and G. out a month prior to Convocation was nothing short of phenomenal. It proved a welcome relief from the long drawn-out headache it has become in the last few years. The book was reduced twenty percent in size but the quality was top-notch. Merv and his hard-working staff have shown that the job can be done properly and within a reasonable time. The yearbook is also in the best financial condition it has had for many years. Things are looking up.—D.F.F.

So you're going to University. You shook hands with your high school principal that day back in June and suddenly you felt good and noble and forgiving. Suddenly you knew you had it. The sun shone mercifully but you were cool, inscrutable, master of your destiny. Life was good (Note: True wasn't bad that month either).

The road to higher learning beckoned and you have heeded. You said goodbye without a tear and came to University. You are now Men and Women as the signs on certain strategically placed doors throughout the campus state.

If you are a man you have acquired a pipe. If you are a woman you bought a utility bag (Throw away the Utility, simply nobody is using them this year . . . the bag is all you need). You've attended at least one lecture, entered at least one wrong lecture room, asked the way to Hut H three times and met at least 374 people, only five of whom you'll recognize next time.

You're in! You're a part of it all! Here is a short glossary of a few of terms heard around the campus that may be new to you. A thorough study of these words will enable you to converse with anyone up to a Ph.D. Beyond that you will have to get your own dictionary. Remember Webster didn't go to U of A!

Freshette: Opposite to Freshman. Especially noticeable at Frosh Mixer Dance where they were also found opposite 2nd, 3rd, and 4th year men. There is no connection between "Freshette" and the phrase "gush-Student Union: You might as well face it. We are unionized and

Literary Interests

Dr. Scarlett has always been keenly interested in literature. He began his writing career as club reporter for The Winnipeg Free Press, while he was studying at the University of Manitoba. In 1922 he founded and became the editor of the University of Toronto Medical Journal, the first undergraduate journal in North America. He has never relaxed his interest in the

Journalism field, and at the present time edits the Historical Bulletin of the Calgary Associate Clinic. He has published many articles and reviews dealing with medicine, medical history and literary subjects in both Canadian and American journals.

Sherlock Holmes

He has many hobbies, one of his chief being the study of the life of Sherlock Holmes. He has for many years been a member of the Baker Street Irregulars, an international Sherlock Holmes Society, is affiliated with the Akron, Ohio, branch "The Scandalous Bohemians" and the Chicago branch, "The Baker-villes."

He is also a specialist on the life and works of John Keats and in this connection was in close association for many years with the late Louis

Holman of Boston, the famous Keats collector. He is a member of the Keats-Shelley Association of America.

World War I Vet

A veteran of the First Great War, Dr. Scarlett was wounded at Arras in August, 1918, while serving with the 2nd Canadian Machine Gun Battalion.

Dr. Scarlett and Mrs. Scarlett reside at 409 Roxboro Rd. A daughter, Betty, is in the faculty of arts and science at the University of Alberta, and their son Robert recently completed his M.Sc. degree in engineering at the University of Toronto and will take post graduate studies at Stanford University in California in the fall. Another daughter, Katharine, is a Grade XII student at Western Canada high school in Calgary.

MANITOBA'S BACK

Varsity sports fans will have plenty to cheer about in the next few months. Alberta seems headed for one of its brighter sports years. The Golden Bear basketballers with almost all of last season's squad intact are headed for a fuller Western Canada Inter-varsity Athletic Union schedule which once again includes the University of Manitoba. They should have little difficulty knocking over their prairie neighbours, Saskatchewan, humiliated in both Saskatoon and Edmonton by the Bears; saw four of its first-stringers graduate this spring, and Manitoba is reported to be in a stage of rebuilding.

New blood has arrived at U. of A. for the basketball wars from a variety of places. Among top prospects are Steve Bendiak, who pulled down an end position with the pro footballing Eskimos, and Don Day, both from Alberta's capitol, Norm Macintosh from Calgary Crescent, and Arnold Ottenbriet, a talented newcomer from Saskatoon.

RAE MILLIGAN AT ALBERTA

Another talented arrival who will probably be doing her stuff for the old green and gold is Rae Milligan, a celebrated golfing miss from Jasper who finished third in the Canadian Ladies' Closed Tournament, well ahead of all the experienced veterans.

Golf, along with tennis, is the only fall activity scheduled by the WCIAU. Golf and tennis matches will be run off in Edmonton on Oct. 19 and 20 with only Saskatchewan and Alberta competing.

HOW COULD HE!

A lot of Alberta's tennis hopes lie in the successes of versatile Don Macintosh, provincial mens' finalist and named last year the campus's most outstanding athlete. Don it is rumoured, almost wandered off to UBC where he would have had a try at college football.

There seem to be dozens of broad-shouldered, six foot two, two hundred pound individuals standing around the campus who love to play football but are too old for junior ball and not quite good enough to play with the Eskos or Stamps. What a shame that they don't get the chance to don evergreen and gold jerseys and go out and break their necks for old U. of A. And if they can't manage to have their necks broken, they can always develop acute appendicitis.

The matter is made bearable, however, because we can still take pride in the fact that our own Steve Mendryk is again running back punts and intercepting passes for the Eskimos who also wear green and gold jerseys.

RIP

The Golden Bears are still mourning over they fact that they got knocked out of the Olympic trials last spring. The eastern referees seemed to think that the Alberta screens were a bit illegal with the result that many of the locals found themselves out of the games by half time.

Although none of the Bears made the trip to Helsinki, one Edmontonian did. Bob Pickell, starry Meteor played outstanding ball for the Canadian team.

U. of A. failed to send a man to Finland, but credit has to be handed out to Herman Dorin, captain of the '52 wrestling team who almost came through in the light-heavy trials. Affable Mike Shysh, who stood a good chance in the heavyweight trials, passed them up for business reasons.

FANTASTIS SUMS

Touch footballers are in for a better deal this fall. Three playing fields will be used at the same time. Rules are available at the Phys. Ed. office, and fantastic sums are being offered to those who wish to officiate games.

Word has got around that there are lots of experienced sports writers in the vicinity. If there are, I wish they'd show up at The Gateway meeting on Monday night.

To Each His Own

The jury foreman reported that it appeared impossible to reach a verdict.

"If you do not reach a decision before evening, I'll have twelve supporters sent up to the jury room," said the judge.

Intramural Program Starts Soon

WAA Intramural Golf, Tennis Draw Next Week

Women's Athletic Association intramural activities will get off to an early start again this year with tournaments in both golf and tennis. Entries for the tennis tournament must be handed in to the WAA office, Room 24 Athabasca Hall, on or before Sept. 29. The draw will be posted on Sept. 30 and play begins Oct. 1 on the University courts, directly behind Pembina Hall. Competitions will continue on through the week and will wind up Oct. 11 with the play-offs.

Golfing enthusiasts are scheduled to tee off 1 p.m. at the Municipal Course on Saturday, Oct. 11 in an 18 hole medal event. Entries must be in the WAA office by 4:30 p.m., Friday, Oct. 10.

Tennis Tryouts Monday At Four

All men and women tennis enthusiasts interested in trying out for the inter-varsity team meet on the Varsity courts Monday, Sept. 29 at 4 p.m. Practices will be held from 4 to 5:30 Monday through Friday.

Standing Resolutions List Important To Club Officials

Students Union Constitution contains several Standing resolutions which are of importance to all undergraduates at the university. Following is a partial list with all students should be familiar. The complete list may be found in the constitution obtainable at the Students' Union Office.

Entry Date Monday Sept. 29 For Men's Golf And Tennis

Intramural boss Herb McLachin, trying to get the jump on the cold weather which usually ruins most of the campus fall athletic activity, is running his program off a week ahead of last year's schedule.

Men's Intramural Golf Tournament, which has a great deal to do with the selection of the Alberta intervarsity golf team, is planned for Saturday, Oct. 4. Entries will tour the Highlands course in 18 holes of medal play. The low eight will then try out for the Alberta team which consists of two players and a substitute.

Entry deadline is Monday, Sept. 29. Those who will not be able to make it on the tournament date will be able to make arrangements at the UAB office in the Drill Hall to play off their rounds on some other date.

The tennis tournament is a single elimination affair which starts on Oct. 2. Entry deadline is also on

Monday, Sept. 29.

A soccer league will be formed if sufficient interest is shown at a meeting in the Gym Lecture Room on Oct. 1 at 4:30 p.m.

Announcements regarding the Track and Field Meet and the Cross Country Race will appear in the next edition.

ATTENTION GIRLS

There will be a meeting for all potential cheer leaders on Friday, Oct. 3, at 4:30 p.m. at the University Gym. Cheer leaders and alternates for the coming year will be chosen through tryouts to be arranged at this meeting. All interested coeds are urged to attend.

How Can I Start An Investment Programme?

By Planned Savings Through Life Insurance.

The basis of an investment plan in most cases should be life insurance. It meets in a sound and regular way the real objectives of investment — savings for the future, a retirement income and money for your family should anything happen to you. What is more, life insurance achieves these ends economically and without worry or risk. Discuss with a Mutual Life of Canada representative a life insurance investment plan for your future.

Wauneita Society Give Freshettes Tribal Feather

Wauneita Lounge Tuesday evening was the scene of the annual initiation of the campus freshettes. A near record breaking number of girls were welcomed as members of the Tribe Wauneita.

Guests at the ceremony were Miss Patrick, director of home economics; Mrs. Andrew Stewart; Mrs. Cook; Miss Simpson; Dean of Women; and Mrs. Sparby, honorary president of the Wauneita Society.

After the ceremony, which included the presentation of the Wauneita feather to each freshette, Mrs. Stewart, Miss Simpson, and Mrs. Sparby spoke to the girls. All three offered words of welcome and advice to the new members.

Adding a lighter touch to the impressive ceremony, a sing-song was held. This was led by Viking and Donna Parker. The evening concluded with the serving of a lunch prepared by the Wauneita executive and other helping hands.

ALEX MARKLE

Air Force Vet New Alum Sec.

Alex G. Markle, 33, Edmonton, has been appointed secretary-treasurer of the general alumni association of the University of Alberta, it was announced recently by Dr. Andrew Stewart, president of the University.

Mr. Markle is the eldest son of the late J. W. E. Markle, who served as alumni secretary from 1946 to 1951. Mr. Markle Jr. served overseas with the RCAF in World War II, and graduated in Arts from the U of A in 1948. He obtained his Bachelor of Journalism degree from Carleton College, Ottawa, in 1949, and was formerly employed as assistant-editor and circulation manager of the Canadian Legion Press in Ottawa.

NEWMAN CLUB

Newman Club will begin another season with an open house and get-acquainted party on Sunday evening at 8:30 in the Newman Club-rooms located in the basement of St. Joe's. All Catholic students are welcome. Dancing and a short program.

ATTENTION ARTS AND SCIENCE

During the past few years Arts and Science has slipped from the top campus faculty to nothing but a name. It is the hope and aspiration of some of this year's Arts and Science undergraduates that perhaps this could be the year in which we might regain some of our former prestige.

With this in mind it has been decided to call a general organizational meeting for Tuesday, Sept. 30, 1952, at 7:30 p.m., place to be announced by next Monday, Sept. 29, notices to be posted in Arts and Science Building, Students' Union Building, and on Varsity Tuck Board.

It is the hope of those interested in the future of Arts and Science that a good representative showing from all years and various schools and departments of Arts and Science, e.g., Commerce, Pharmacy, Geology, House Economics, Chemistry, English, History, Pol. Ec., etc., will be shown at this meeting.

New Manager For Bookstore

Second manager in the history of the University's bookstore has recently taken office. Mr. N. S. Howe succeeds Charles Hasford, manager of the bookstore since it opened in 1912. Mr. Howe has been associated with the University for the last five years in the Bursar's office.

In an effort to supply better service to the students, Mr. Howe asks the students to avoid the busy hours. Bookstore hours are from 9:00 a.m. to 4:30 p.m. Busiest hours are from 10:00 a.m.-12:00 a.m. and 2:00-4:30 p.m. Mr. Howe suggests that as many students as possible visit the bookstore between 9:00 and 10:00 a.m. and 12:00 and 2:00 p.m. for better and quicker service.

Books and stationery are in good supply this year. However, prices are generally higher than in former years.

PHOTO APPOINTMENTS

Appointments for students pictures for the Evergreen and Gold, 1952-53, can be made starting Monday, September 29. Photographs will be taken by Goertz Studios in Room 307, Students' Union Building. Come early and avoid the rush!

Most Hazing
Frosh receiving the most hazing

were those residing in St. Stephen's College. Shoe-polishing, coffee in bed for upperclassmen, sudden local showers were the order of the day. Under the leadership of "Black Rod" Eidem, Med II, the upperclassmen of St. Steve's have instilled a spirit of proper respect in the forty-odd freshmen in the building.

Frosh have entered whole-heartedly into the spirit of the week and no unpleasant incidents have been reported.

Here is an opportunity
you should not miss

The expanding defence programme has created a demand for a large number of officers in the Navy, Army and Air Force. University undergraduates can play an important role in filling this gap. At the same time, you can benefit greatly under the terms of the recently inaugurated Regular Officer Training Plan.

Under this plan, the Canadian government offers university students *most generous* financial assistance throughout their academic careers. The financial assistance offered students entering or already attending an accredited university or Canadian Services College is coupled with outstanding

career opportunities in any branch of Canada's Armed Forces.

Students taking advantage of this plan are required to actively serve Canada as an officer of the Navy, Army or Air Force for a minimum of three years as a commissioned officer subsequent to graduation.

Cost of tuition fees, students' union or council fees, registration fees, library fees and students' health fees will be borne by the Armed Forces. In addition, undergraduates will be entitled to receive reimbursement for the cost of books and instruments for each subsidized university year—medical students an amount up to \$75.00—all other faculties an amount up to \$50.00.

Qualifications

- **FIRST YEAR STUDENTS**—Must have obtained their Senior Matriculation or equivalent standing and be accepted for entry into university or Canadian Services Colleges.
- **SECOND OR THIRD YEAR STUDENTS**—Applicants must be registered in second or third year or have fulfilled the requirements for entry into second or third year study.

- Applicants must have reached their 16th birthday but not their 22nd birthday on January 1, 1953 in the first year of their eligibility.
- Applicants must be single.
- Must be medically fit in accordance with present standards for Navy, Army or Air Force.
